Functionality in Emergency Situations

BENTON RIDGE TELEPHONE COMPANY

Benton Ridge Telephone Company (“the Company”) has the ability to remain functional in emergency situations.

The Company has a reasonable amount of back-up power to ensure functionality without an external power source. Battery systems at the switching and remote offices will provide forty-eight hours of back-up power. In addition, fixed propane generators will recharge the battery systems indefinitely. The rural nodes have eight-hour battery back-up, and three portable gasoline generators are used to recharge the nodes’ batteries. Customers with fiber-to-the-home service also have batteries installed in their homes, which provide eight-hour back-up.

Interexchange traffic is carried on a fiber ring. Traffic is automatically rerouted around damaged facilities.

The Company serves less than 3,000 voice and internet customers, and there is adequate switching and transport capacity to allow the Company to manage traffic spikes due to emergency situations.

Terms & Conditions of Voice Telephony Lifeline Plans

BENTON RIDGE TELEPHONE COMPANY

Benton Ridge Telephone Company (“Benton Ridge”) offers Lifeline program-supported service to qualified low-income residential consumers for one telephone line per eligible household. The Lifeline program provides discounts to eligible low-income consumers to help them establish and maintain telephone service. Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Toll Blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll blocking is available to eligible consumers at no cost. Also, by choosing this option, consumers are usually not charged a deposit.

Lifeline Program Eligibility Information

Program Based Eligibility

Consumers are eligible for Lifeline if they, one of their dependents, or their household participate in one of the following qualifying assistance programs:

- Medicaid
- Federal Public Housing Assistance (Section 8)
- Low Income Housing Energy Assistance (LIHEAP)
- Supplemental Nutrition Assistance Program (SNAP, formerly Food Stamps)
- Ohio Works First/Temporary Aid to Needy Families (TANF)
- National School Lunch Program Free Lunch Program
- Supplemental Security Income (SSI)
- SSI – Blind and Disabled (SSDI)
- General/Disability Assistance

Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means.

Acceptable documentation of program-based eligibility includes: current or prior year’s statement of benefits from a qualifying state, federal or Tribal program; notice letter of participation in a qualifying state, federal or Tribal program; program participation documents; or another official document evidencing the consumer’s participation in a qualifying state, federal or Tribal program.

Income Based Eligibility

In addition, consumers are eligible for Lifeline if their household income is at or below 150% of the federal poverty guidelines.

Acceptable documentation of income eligibility includes: prior year's state, federal or Tribal tax return; current income statement from an employer or paycheck stub; social security statement of benefits; Veterans Administration statement of benefits; retirement/pension statement of benefits; unemployment/workmen's compensation statement of benefits; federal or Tribal notice of letter participating in General Assistance; or a divorce decree or child support award or other official document containing income information.

Numbers of Minutes-of-Use Provided as Part of Lifeline Program Service

Benton Ridge's Voice Lifeline service includes unlimited local minutes-of-use within the toll-free calling area. Benton Ridge's Voice Lifeline Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the Lifeline service, Toll blocking is available to eligible consumers at no cost.

Rates

Subscribers may receive the Lifeline credit on any type or grade of local service, including bundled services that are normally offered by Benton Ridge. Advertised rates do not include any applicable taxes or surcharges.

Recertification of Lifeline Eligibility

Lifeline recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for the Lifeline program will result in termination of the Lifeline recipient's monthly Lifeline discount and de-enrollment from the Lifeline Program.

Additional Lifeline Program Information

The Lifeline program is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined, for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.
